

# Growth of Transmission Lines and Transformation Capacity (220 kV & above) since 6<sup>th</sup> Plan onward (as on Jul,2018)

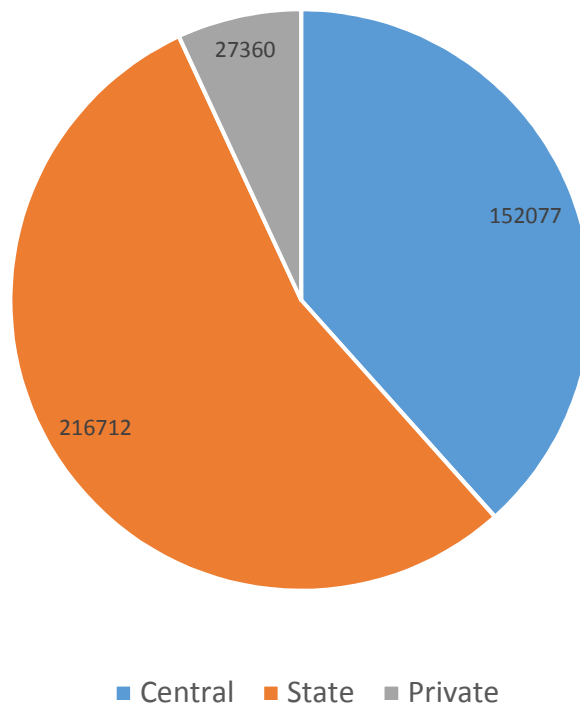

# Existing transmission lines (220 kV & above) in Ckm (as on Jul,2018)

Voltage-wise

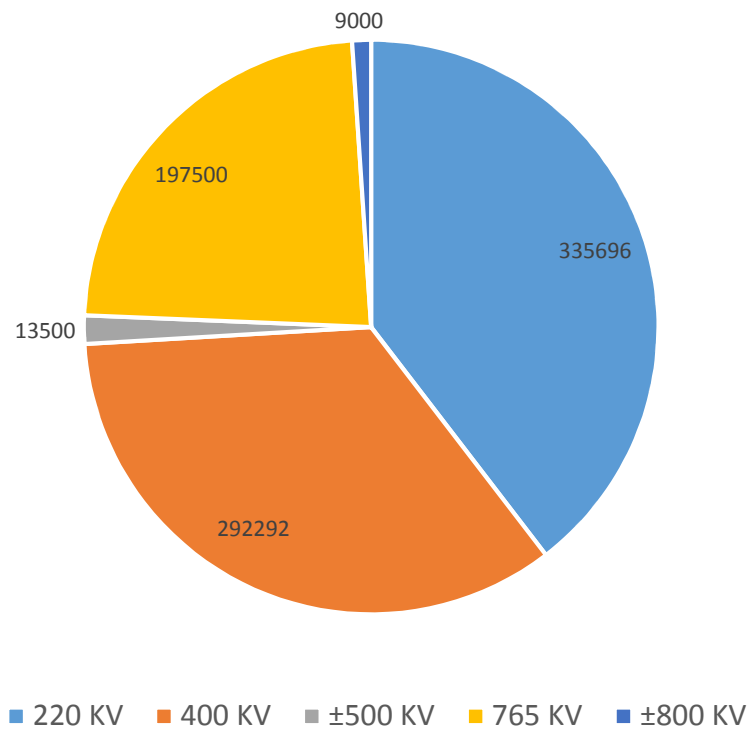

Sector-wise

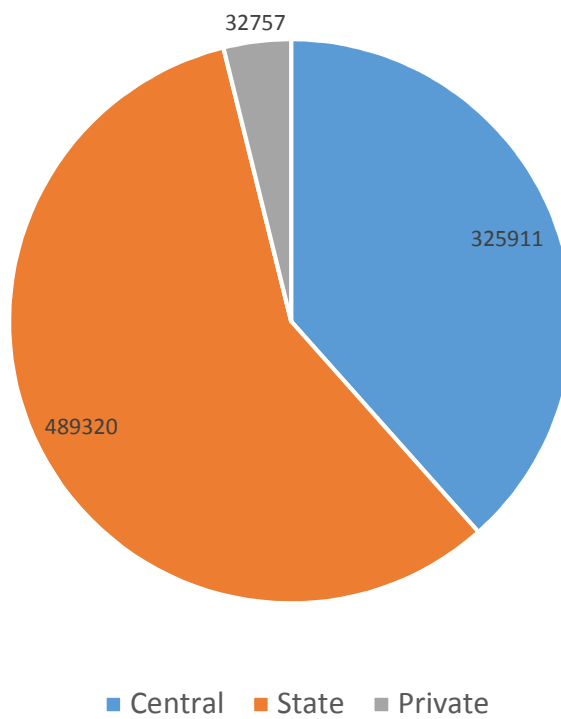

# Existing Transformation Capacity (220 kV & above) in MVA (as on Jul,2018)

Voltage-wise

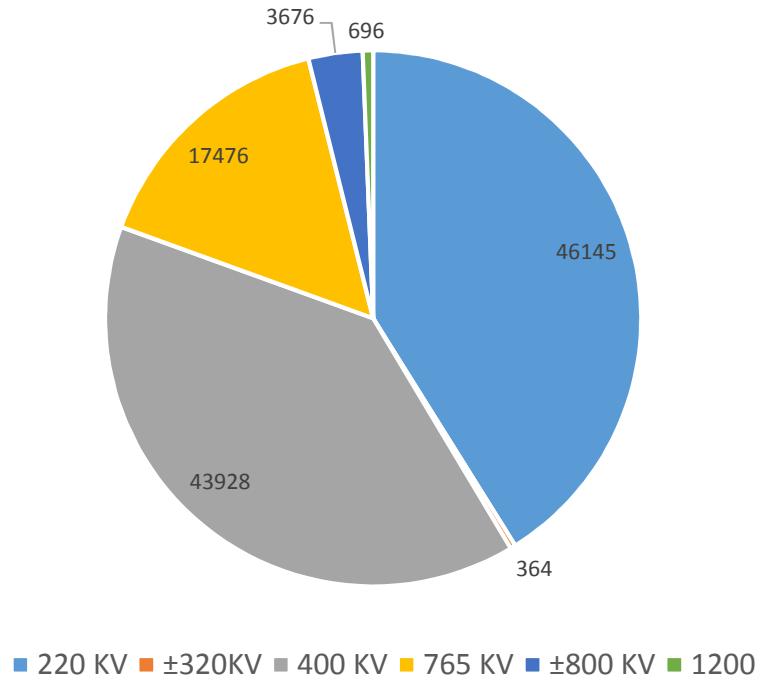

Sector-wise

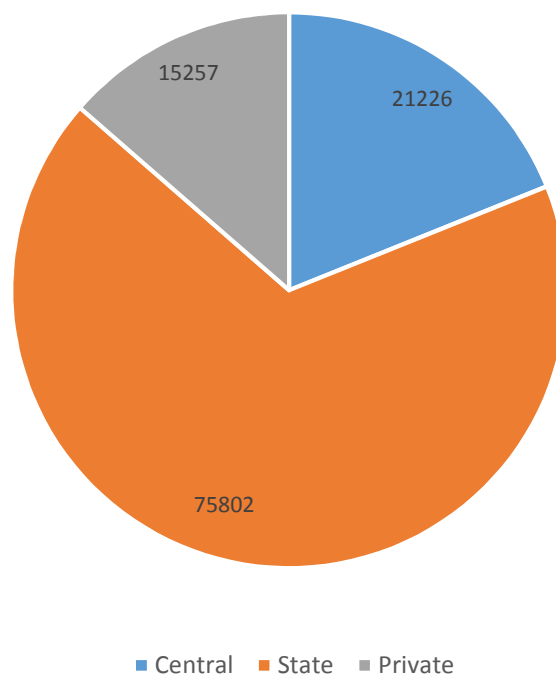

# Under construction transmission lines (220 kV & above) in Ckm (as on Jul, 2018)

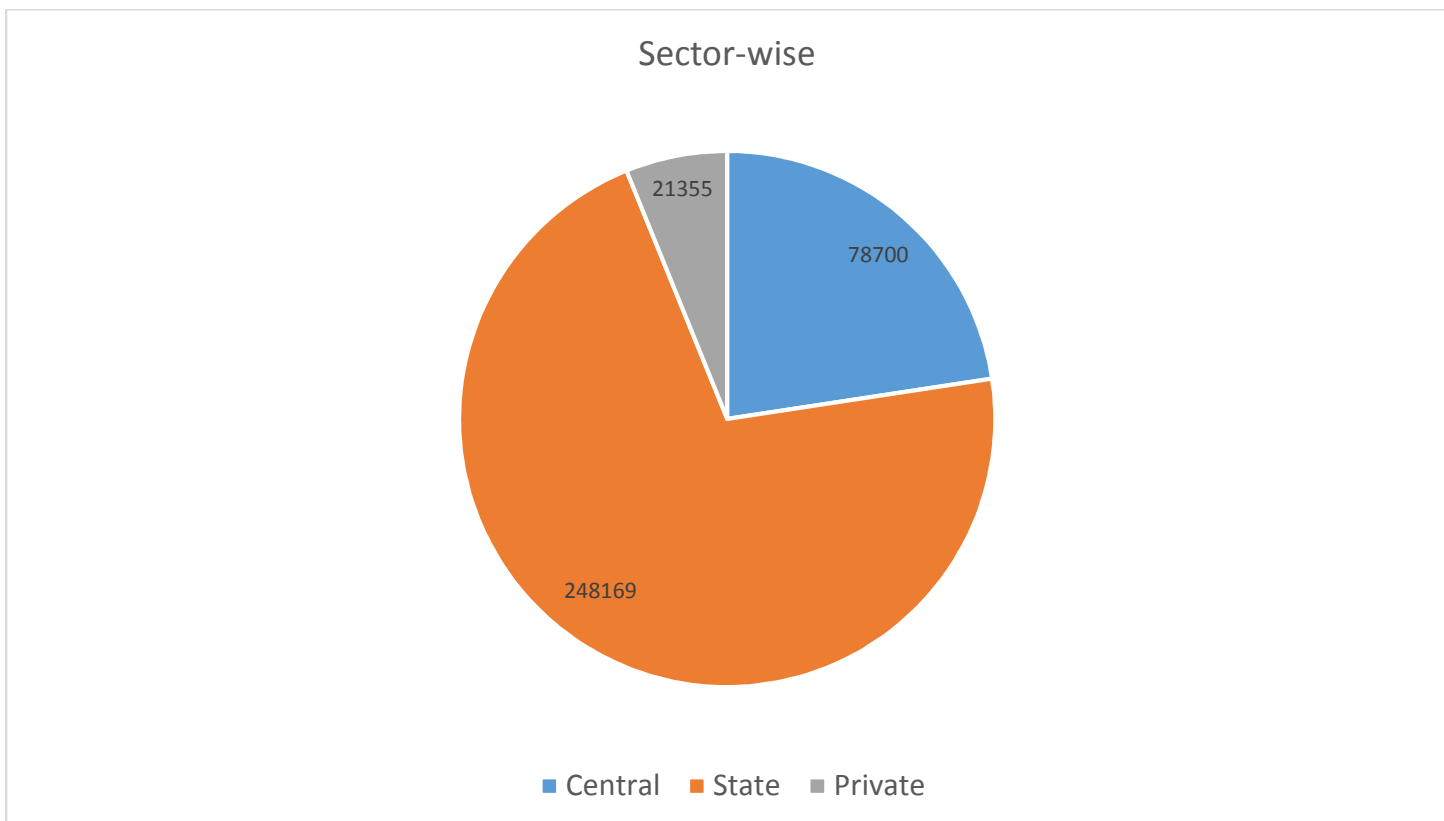

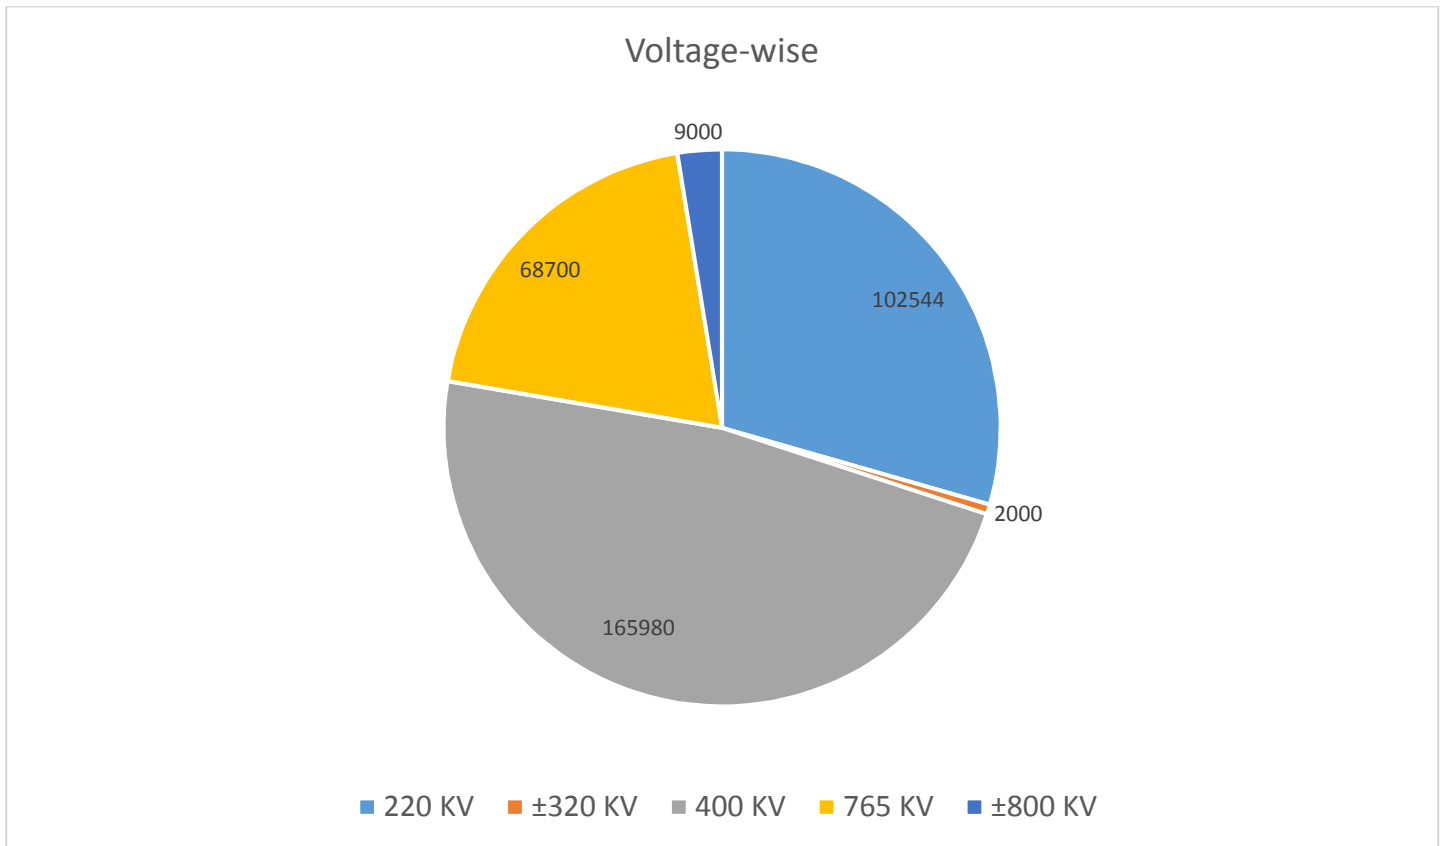

Voltage-wise

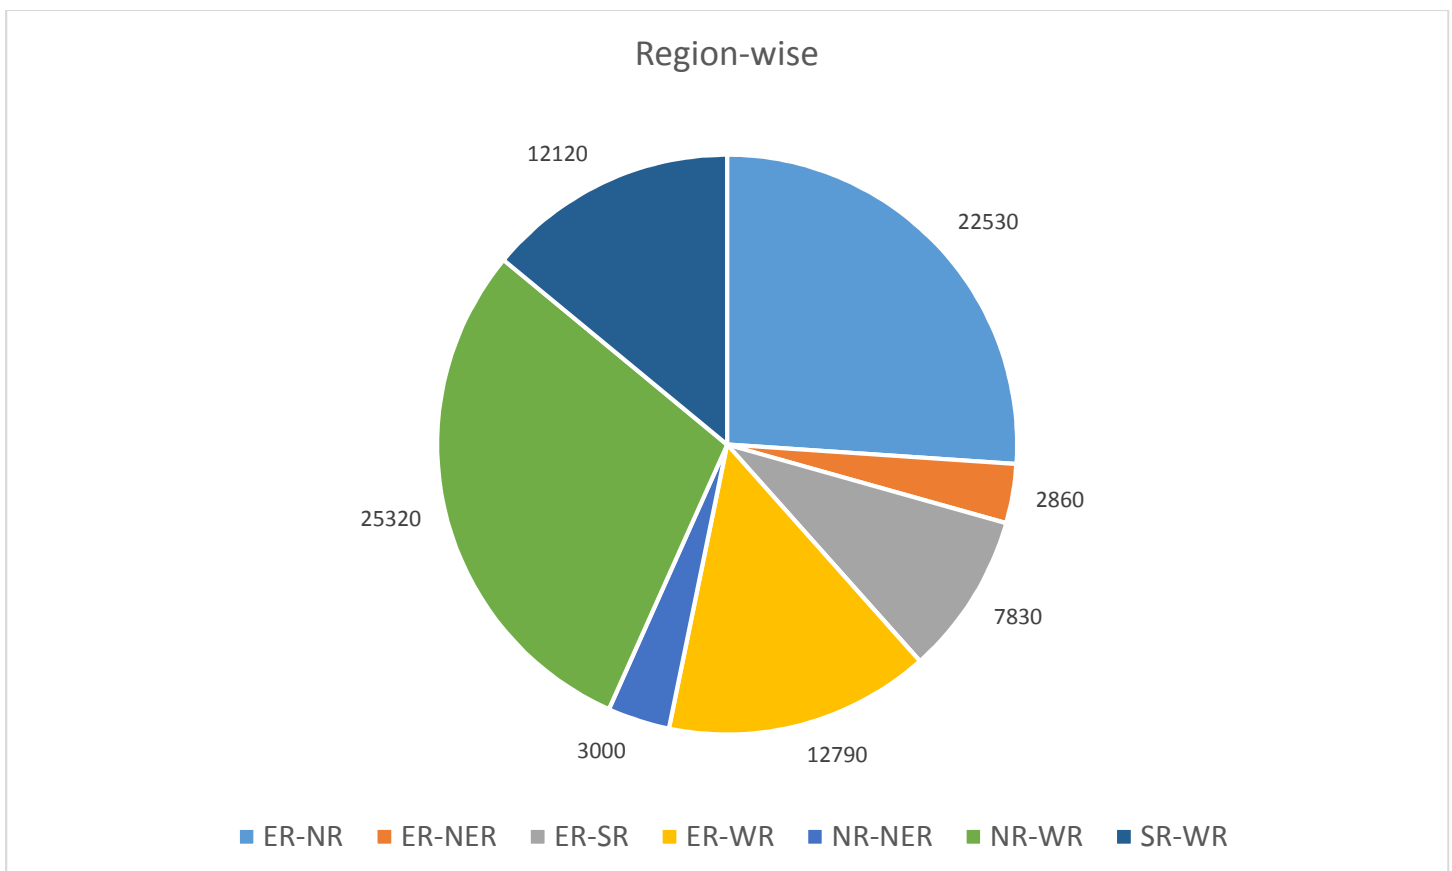

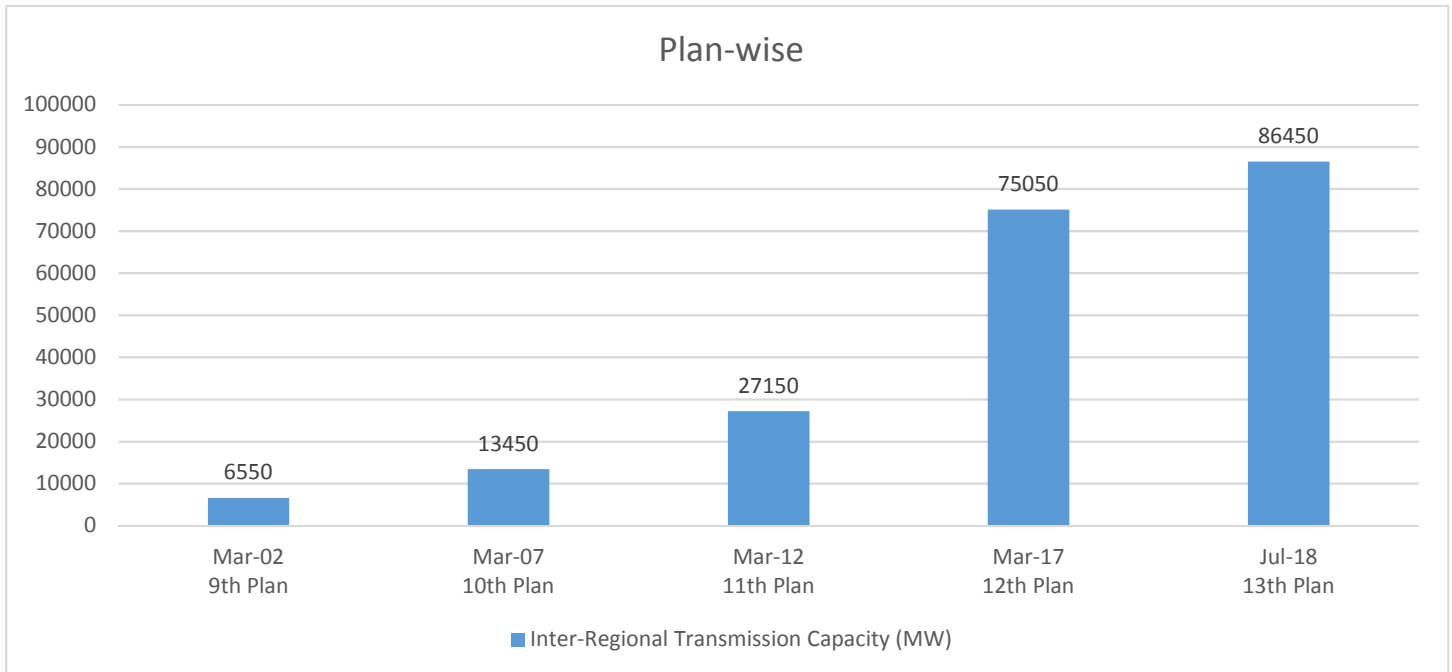

Sector-wise

# Under construction transformation capacity (220 kV & above) in MVA (as on Jul,2018)

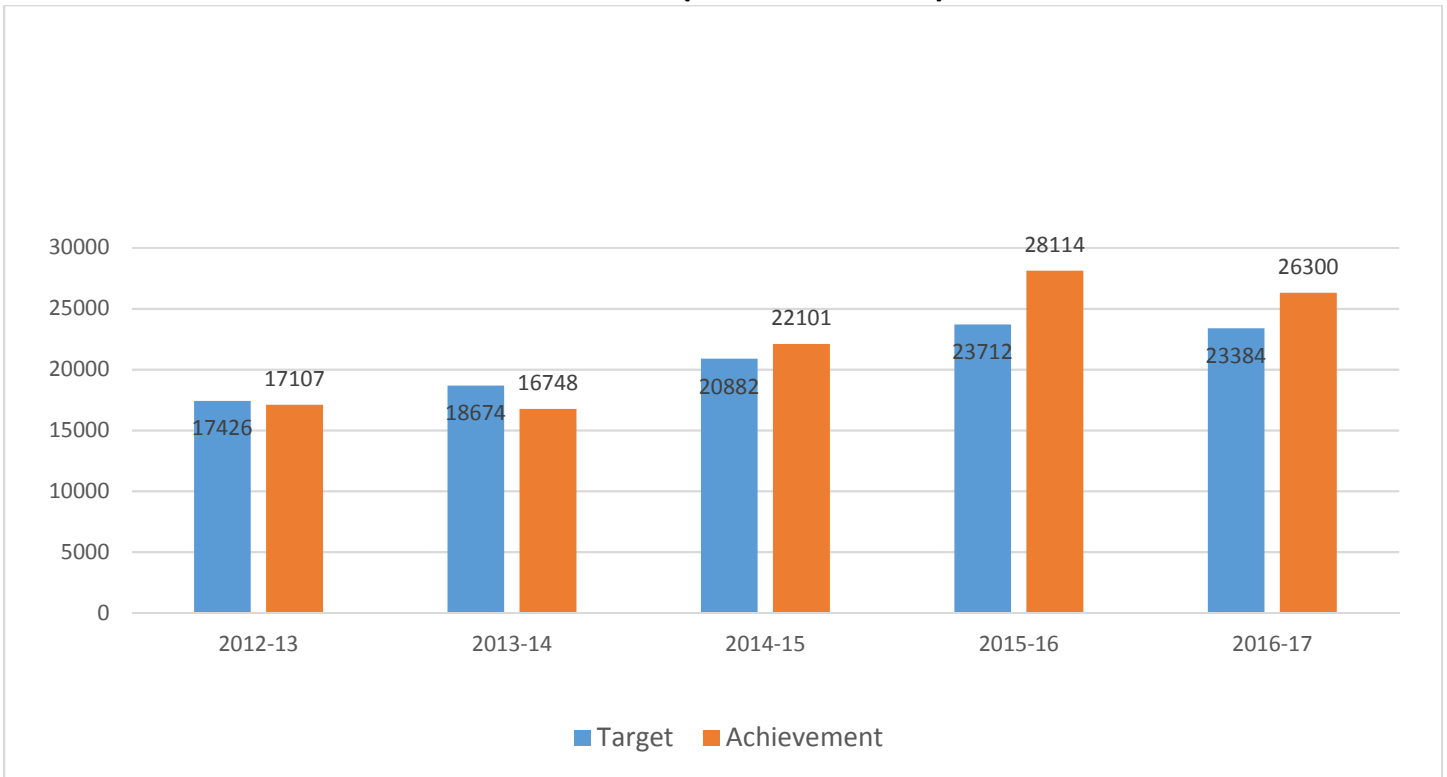

## Growth of Inter-regional (IR) transmission capacity in MW (as on Jul,2018)

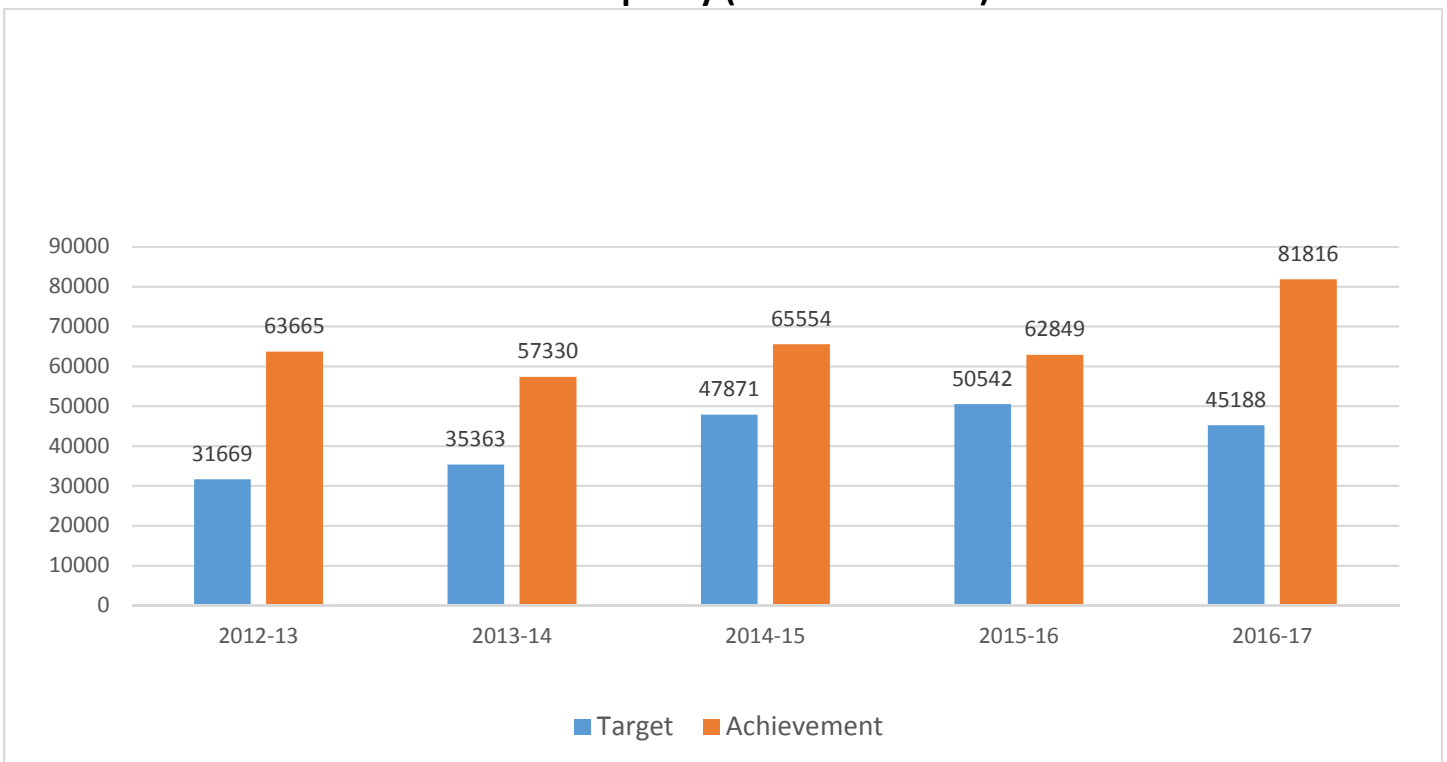

# Target and achievement

12th Plan (2012-17)

## Transmission lines (220 kV & above) in Ckm

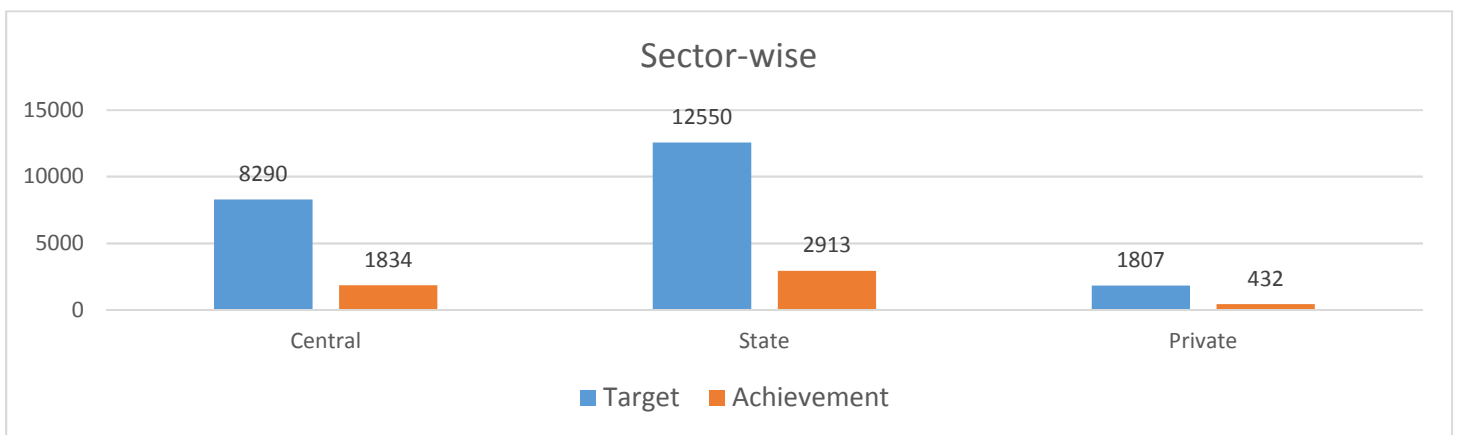

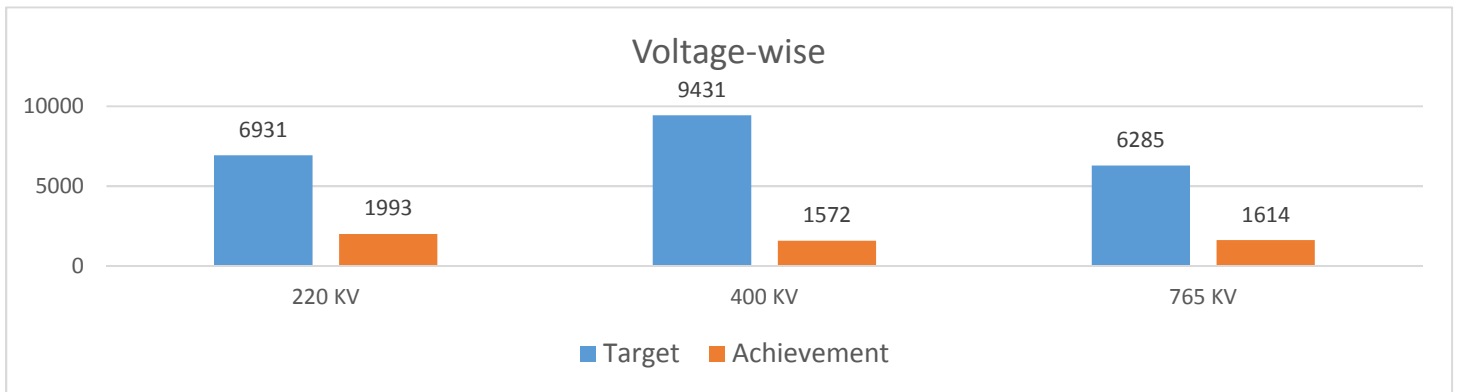

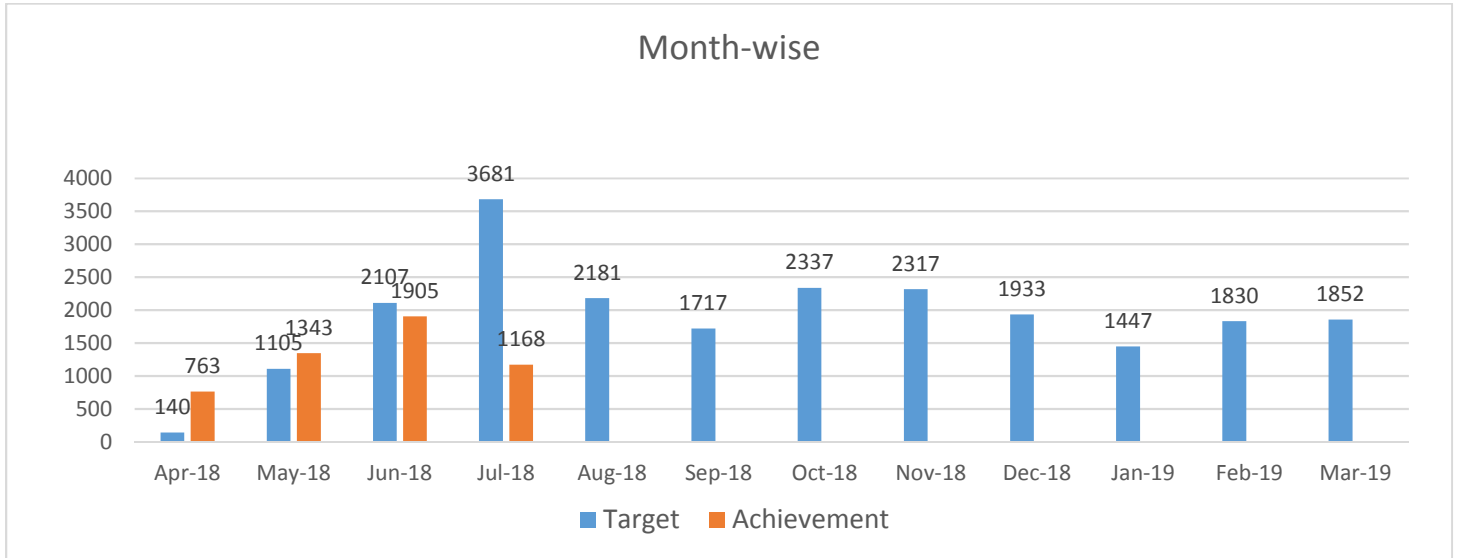

## Transformation Capacity (220 kV & above) in MVA

# 13<sup>th</sup> Plan (2017-22)

(as on Jul,2018)

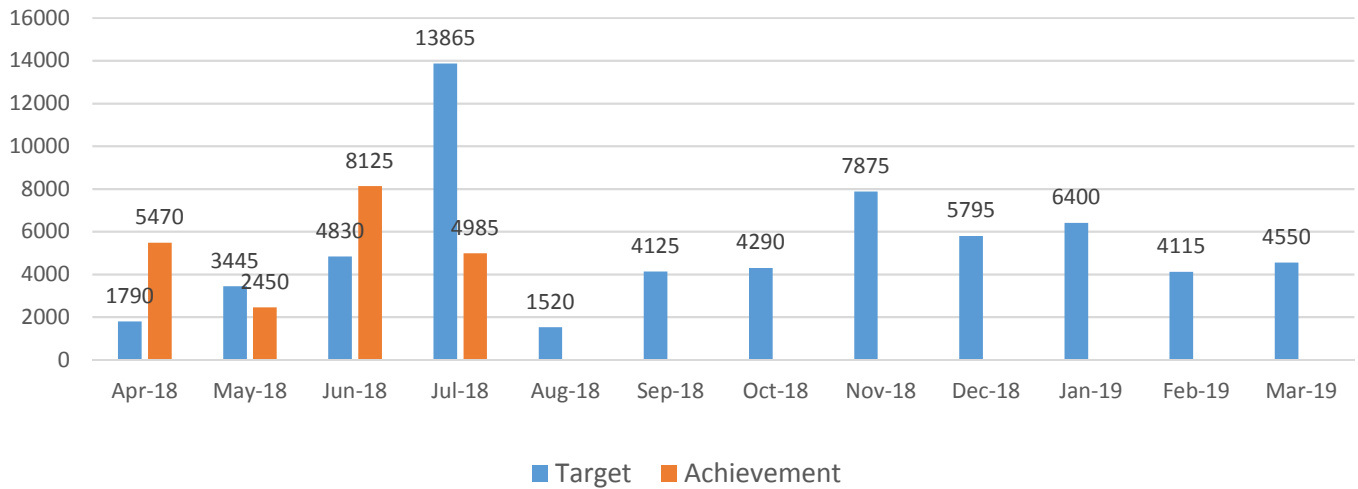

## Transmission lines (220 kV & above) in Ckm

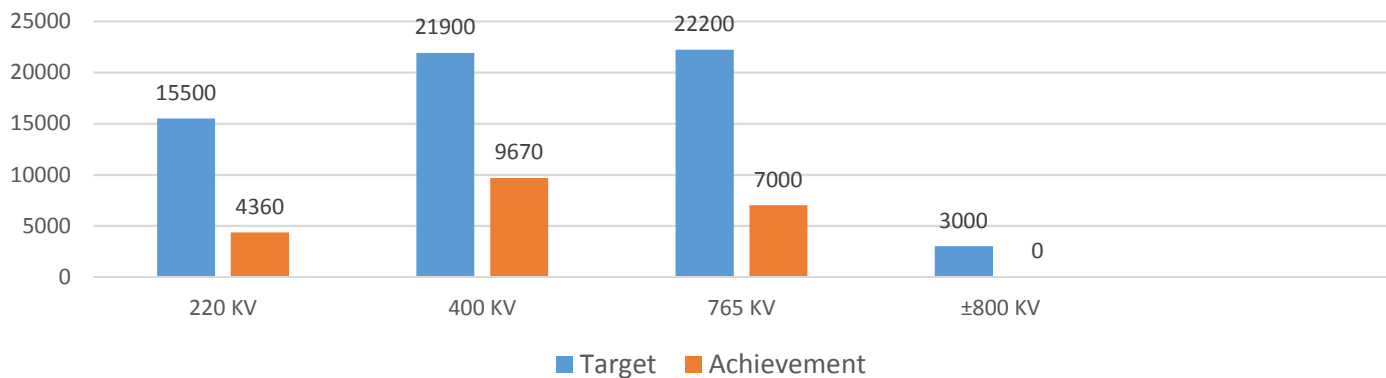

## Transformation Capacity (220 kV & above) in MVA
