Subject: Implementation of the decision taken during the meeting on coal supply by Hon'ble MOS (I/C) for Power.

Sir,

Please refer to the minutes of meeting taken by Hon'ble Minister of State (I/C) for Power on 22/01/2018 and 25/01/2018, wherein the following decision has been taken:

(i) It was decided that all power plants located within 20 KMs from pithead shall construct elevated closed belt conveyors within 2 years (upto 1st April 2020). Further, it is also decided that Power Plants located within 40 KMs from pithead shall construct MGR within 3 years (upto 1st April 2021). Power plants located beyond 40 KMs and upto 100 KMs may also consider the option of MGR based on the financial viability. CIL to ensure to supply coal from such sources for a period for 20 years or the remaining life of the power plant. CIL shall provide a list of power plants with distance less than 20 KMs / 40 KMs / 100 KMs from pithead.

(ii) For future, new coal based power plant, except extension units, shall be set up only within 500 km of coal field.

2. CEA is, therefore, requested to monitor the implementation of the above decision and send the monthly progress on the same to this Ministry.

Yours faithfully,
