CIRCULAR / परिपत्र

Subject: Linking of mobile number with Aadhaar number by all Officials in CEA-reg.

For conducting office procedures electronically and in more efficient manner, implementation of eOffice Lite (eFile) is being carried out in CEA. The application has a provision for e-Sign which is an alternative of DSC based digital signature service. For using e-Sign service in eOffice Lite (eFile), it is mandatory to have mobile number linked with Aadhaar number. In this regard, a circular was issued by IT Division on 22.08.2017 & 13.09.2017 vide which it was requested to provide Division/Section wise status of linking mobile to IT division by 15.09.2017. As per the status received from various Divisions, it is observed that many of the CEA Official's mobile number is not linked with their Aadhaar number.

Therefore, for early implementation of eOffice Lite (eFile), all users in CEA are requested to get their mobile number linked with their Aadhaar number within one week with the help of registered Aadhaar Centres (<https://resident.uidai.net.in/update-data> may be referred). List of officials whose mobile number is not linked with their Aadhaar number is available on CEA Intranet (<http://10.23.171.47:8081>). Also, the Divisions/Sections who have not submitted their status in this regard to IT Division are again requested to send Division/Section wise status by 13.10.2017 (List of Divisions/Sections who have not submitted status is also available on CEA Intranet).

संलग्नक: यथोपरि ।
