Sir,

Subject: Preparation of Perspective Plan for Distribution Sector -Regarding

Under the provisions of section 3 (4) of the Electricity Act 2003, Central Electricity Authority (CEA) has taken up the revision of existing National Electricity Plan. The revision proposes to cover the review of 12th Plan, detailed plan for 2017-22 and perspective plan for 2022-27. The draft Plan already prepared for Generation and Transmission is under finalization with the stakeholders. This draft was discussed in recent meetings of Senior officers of Ministry of Power (MoP) and also at Conference of Ministers of Power, Renewable Energy and Mines of States/UTs held at Vadodara, and based on these discussion, MoP has suggested that a perspective plan upto 2022 for Distribution sector to be prepared.

In view of above, you are requested to prepare and furnish the perspective plan for Distribution sector upto 2021-22 which inter-alia may include the following components:

1. Background note with present Status for each Discoms /State-covering the areas such as Electrical Infrastructure, Metering of Consumers, DTs and Feeders, AT&C losses, IT enablement, Smart Grid, Village Electrification, and Household/Universal electrification, Demand Side Management, Power procurement, Reliability and Quality of Power, Consumer satisfaction/care, Financial Turnaround/viability aspects etc.
2. Action plan to be adopted for the above mentioned areas of Distribution with 24x7 Power for All document as base, Achievement/Progress-Physical and financial so far, along with issues if any, and also considering all the related Schemes/Programmes/ Initiatives etc. of Governments.
3. Any other relevant matter on the subject.

The inputs/Plan may be furnished preferably in 15 days on priority, along with soft copy on above mentioned emails, so that the consolidated plan for all States can be finalized at the earliest.

Yours faithfully
