Dated: 23-11-2017

To,

Shri S. K. Patnaik,
ED & CEO,
Patratu Vidyut Utpadan Nigam Limited,
PO-PTPS, Patratu, District-Ramgarh
Jharkhand-829119

Subject:- Decommissioning of Unit No. 4,6,7,9 & 10 of Patratu Thermal Power Station (PTPS) of Patratu Vidyut Utpadan Nigam Limited.

Ref: PVUNL/COMML/2017/42 dated 04/11/2017

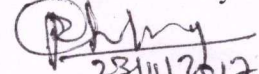

Sir,

This is with reference to your above referred letter regarding decommissioning of Unit No. 4,6,7,9 & 10 having total capacity 455MW (1x40+1x90+1x105+2x110MW) at Patratu.

The Board of Directors of PVUNL has approved phasing out of Unit No. 4,6,7,9 & 10 (Total 455 MW: 1x40+1x90+1x105+2x110MW) of its old PTPS plant, in its meeting held on 30.10.2017. The details furnished by PTPS have been seen by the Central Electricity Authority. It is seen that the decision to retire these units has been taken by Board of Directors, PVUNL on 30.10.2017 to phase out the units 4,6,7,9 & 10 of Patratu.

The decision to phase out unit No. 4,6,7,9 & 10 (Total 455MW) of Patratu TPS has been taken by PVUNL based on techno-economic reasons and based on their decision, these units will be deleted from the data base of All India Installed Capacity.

Yours faithfully

23/11/2017
(P.C.Kureel)
