**Subject: Future plan of action in respect of thermal power units which are 25 years or more old as on 31-03-2016 - Exploring possibility of replacement by supercritical units.**

Sir,

Please refer to letter no. CEA/PLG/PDM/545/2017 dated 27.03.2017 and MPPGCL letter even no. dated 28.03.2017 & 31.03.2017 in respect of above subject. MPPGCL had requested to hold the deleting of unit 6 & 7 of STPS, Sarni from CEA's record of Installed Capacity. As per MPPGCL request, it has been decided by CEA to hold the retirement of unit 6 & 7.

This is for your kind information please.

Yours faithfully

(P.D. Siwal)  
Secretary, CEA

**Subject: Future plan of action in respect of thermal power units which are 25 years or more old as on 31-03-2016 - Exploring possibility of replacement by supercritical units.**

Sir,

This is with reference to your letter no.07/01/STPS/F-8500/601 dt 17.03.2017 regarding intimation for retirement of Unit No. 6 to 9 with total installed capacity 830 MW (1x200MW+3x210MW) at Satpura Thermal Power Station, Sarni. The information furnished by MPPGCL in the letter has been seen by the Central Electricity Authority. It is seen that the decision to retire unit No. 6 & 7 w.e.f. 31.03.2017 and Unit No. 8 & 9 w.e.f. 31.03.2018 has been taken by the Board of Directors of MPPGCL on 28.12.2016.

The decision to retire unit no. 6 to 9 of Satpura, TPS Sarni has been taken by MPPGCL based on their own techno-economic reasons and based on their decision, these units are being deleted from our records of Installed Capacity from the dates as decided by MPPGCL.

Yours faithfully

(P.D. Siwal)  
Secretary, CEA
