Subject: Decommissioning of 15 MW Unit- I of Lakwa Thermal Power Station (TPS) of Assam
Power Generation Corporation Limited (APGCL) Assam-Reg.
Ref: Lr.No.APGCL/CGM(G)/Derating/2007-08/38/66 dt. 19-10-2016.

Sir,

This is with reference to your above referred letter regarding proposal for decommissioning of unit- I with installed capacity of 15 MW Lakwa Thermal Power Station. The details furnished by APGCL have been examined by the Standing Committee on Deration, Upration and Retirement of Generating Units of Central Electricity Authority. It is seen that decision to retire this unit has been taken by Board of APGCL in its 63rd meeting held on 30.09.2016, has accorded decommissioning of the unit # I of LTPS.

The APGCL have already retired the unit- I and is under shut down from 06-06-2016, it is not desirable now to recommend retirement of this unit by CEA.

The decision to retire Unit No. I of Lakwa, TPS has been taken by APGCL based on their own techno-economic reasons and based on their decision, the unit is being deleted from our records of Installed Capacity.

Yours faithfully

(P.D. Siwal)
Secretary, CEA
