Subject: Intimation on phasing out of Unit No.1,2,3,5 & 8 of Patratu TPS – regarding.

Ref: No.PVUNL/CEO-Sect./Aug.16 dated 17.08.2016.

Sir,

This is with reference to your above referred letter regarding intimation on phasing out of Unit No.1,2,3,5 & 8 Total 360 MW (3x50 + 1x100 + 1x110 MW) original Installed Capacity of Patratu TPS.

PVUNL in its above letter have intimated that they have decided that Unit. No.1,2,3,5 and 8 of PTPS Patratu, will not be revived and have been phased out permanently w.e.f. 29th July, 2016. As PUVNL have already retired the units and the units are under shut down since last 6 to 13 years, it is not desirable now to recommend retirement of these units by CEA.

The decision to retire Patratu Unit Nos.1,2,3,5, & 8 has been taken by PUVNL based on their techno-economic reasons and based on their decision, the units are being deleted from our records of Installed Capacity.

Yours faithfully

(P.D. Siwal)
Secretary, CEA
