No. CEA/Plg/PSLF/Captive/2017/

Dated: 20-07-2017

To,

Chief Electrical Inspectors of Bihar, Odisha & West Bengal

Subject: Reconciling of list of Captive Power Plants (CPPs) – reg.

This is with reference to our earlier email dated 2nd June, 2017 vide which you were requested to provide the reconciled list of CPPs. The list of CPPs provided by you was checked with the list of CPPs available in CEA and some discrepancies were observed in nos. of CPPs and total installed capacity. These discrepancies were highlighted as follows:

1. Some captive power plants as per CEA's list do not appear in the list furnished by you. The same had been marked in the Annexure sent to you. Please indicate whether these CPPs have been closed, shall we remove these from our list?
2. Though some CPPs appear in both CEA's list and your list, there was mismatch of Installed Capacity. This has also been indicated in the aforesaid Annexure. Please intimate which capacity is to be considered.

However, till date, no information has been received from your side. It is therefore, requested to provide the reconciled list of Captive Power Plants as the **Ministry of Power, Government of India is pressing hard to furnish the total all India installed capacity of Captive Power Plants along with the list.**

भवदीय/ Yours faithfully
