Subject: Meeting to review the targets/achievements for the financial year 2019-20 (up to second quarter i.e. April-September, 2019)

Sir/Madam,

It has been observed that achievements in respect of transmission system (transmission lines and sub-stations) for the 1st and 2nd Quarter of FY 2019-20 is very discouraging, particularly in respect of transmission lines. It is the matter of great concern that there is 'nil' achievement up to September, 2019 in respect of transmission lines of 22 transmission utilities out of 29. Therefore, Chief Engineer (PSPM) would be taking a meeting to discuss about reasons/constraints in execution of transmission lines and sub-stations **(as per Schedule enclosed)**.

Achievement of transmission lines & substations against the target for the FY 2019-20 (up to September, 2019) is enclosed as **Annexure** for your information.

Yours faithfully,

(Sanjay Jain)
Director
