विषय / Subject: Meeting to review the targets/achievements in execution of transmission system (220kV & above transmission lines and sub-stations) for the financial year 2019-20 and finalization of target for financial year 2020-21.

महोदय / Sir,

In continuation to our letter No. CEA-PS-13-22(12)/1/2018-PSPM Division dated 07.01.2020 regarding meeting notice on above subject. It is to inform that the meetings, which are scheduled on 23.01.2019 and 24.01.2019 have been **postponed** to **27.01.2020** and **28.01.2020** respectively due to unavoidable circumstances. Revised meeting schedule is given at next page.

It has been observed that achievements in execution of transmission system (220kV & above transmission lines and sub-stations) upto 3rd quarter of FY 2019-20 (Apr'19 to Dec'19), particularly in respect of transmission lines, is very discouraging (summary of Progress of works is enclosed). It is the matter of concern that merely 33% of the annual target, in respect of transmission lines, has been achieved till Dec'19.

In view of above, Member (PS) would be taking a meeting to discuss about reasons/constraints in execution of transmission lines and sub-stations. The target for execution of 220kV & above level transmission lines and sub-stations for financial year 2020-21 would also be discussed and finalized.

Therefore, you are requested to attend the meeting along with updated status of all transmission lines & substations, which are likely to be commissioned during the current financial year (2019-20) and the list of transmission lines and substations, which are planned for commissioning during the FY 2020-21 so that various issues / constraints relating to execution can be discussed and the target for FY 2020-21 could be finalized.

Kindly confirm your participation and mail the relevant information at ceapspm@gmail.com.

भवदीय / Yours faithfully,

(यु. एम. राव भोगी / U.M. Rao Bhogi)
