विषय/Subject: Meeting to review the transmission sector achievements for the financial year 2020-21 (actual progress upto 31st October' 2020).

Madam/Sir,

A meeting is scheduled to review the transmission sector achievements for the financial year 2020-21 (actual progress upto 31st October' 2020). It has been observed that achievements in respect of transmission system (220kV & above transmission lines and sub-stations) upto 31st Oct'20 in FY 2020-21, particularly in respect of substations, is unsatisfactory. The achievement, in respect of transmission lines upto 31st Oct'2020, is 51% whereas in respect of substations, it is merely 32.6% of the annual target.

In this regard, Chairperson and Member (Power System) (I/C), CEA would be taking a review meeting to discuss reasons for the shortfall in achievement and issues / constraints in execution of transmission lines and sub-stations and also to assess likely achievement in balance period of FY 2020-21(as per schedule enclosed). The list of transmission lines and substations targeted in FY 2020-21 along with the utility- wise summary of achievement (till Oct'20) is enclosed as **Annexure-A** for your reference.

You are therefore requested to attend/ nominate suitable officer for the VC meeting (through MS team), as per the schedule enclosed, along with updated status of all substations/transmission lines which are targeted in current financial year in (FY 2020-21).

The link for the meeting is as below:

- (i) Meeting on 23.11.2020 (Timing 3:00 to 5:00PM) with PGCIL, DVC, Northern Region (NR) and Western Region(WR) States-
