Subject: Furnishing of PPA information of power projects for which coal Linkage is to be sought under 2nd Round of Para B(ii) of SHAKTI Policy

As per para B (ii) of SHAKTI policy dated 22/05/2017, CIL / SCCL may grant coal linkages on notified price on auction basis to power producers/ IPPs which have already concluded long term PPAs based on domestic coal.

In this regard, it is to be noted that Inter-Ministerial Committee(IMC), in its meeting held on 18/07/2018, has recommended that all plants which were having a valid already concluded Long Term PPA based on domestic coal on or before 17/05/2017 but have not secured any coal linkage under SHAKTI or policy prior to that or through coal blocks, may be allowed to participate in the B(ii) auctions of SHAKTI scheme.

In order to assess the quantity of coal likely to be required, it is requested that information of such PPAs signed by the Developer against coal based thermal power project for which coal linkage is to be sought under SHAKTI B(ii), may be furnished to this office by 14th August 2018 in the enclosed format.

The same can also be emailed to cetpicea@nic.in or cetppdcea@gmail.com
