

Status of Proposed Thermal Power Projects :

A. General Information :

a)	Name of Organisation / Joint Venture Company:	
b)	Correspondence Address:	
c)	Tel./ Fax no. / E mail:	
d)	Name, Designation and contact no. of Nodal officer:	
e)	Name of the Thermal Power Project	
f)	Capacity (MW)	
g)	Location of the Thermal Power Project	
h)	State	
i)	Type of Fuel	

Status of the Project :

SI No.	Milestones	Schedule Dates		Brief Status
		Schedule	Actual (A) / Anticipated	
1.	Preparation of DPR			
2.	Tie- up of major clearances :			
a.	Land acquisition (mention separately if forest land and/or tribal land is involved)			
b.	Fuel Tie-up			
c.	Water tie-up			
d.	Forest clearance			
e.	Environmental clearance (Please indicate validity of EC/revalidation of EC, if any)			
3.	Financial Tie-up			

SI No.	Milestones	Schedule Dates		Brief Status
		Schedule	Actual (A) / Anticipated	
4.	Financial closure			
5.	Appointment of consultants			
6.	Method of procurement (EPC/Packages)			
7.	Preparation of Tender Document			
8.	Issue of NIT			
9.	Submission of Tender (Technical / Financial)			
10.	Analysis and finalization of Bids			
11.	Award of Contract for Main plant equipment (Boiler, Turbine and Generator - BTG)			
12.	Power Purchase Agreement (Indicating Long term/Medium term/Short term/MoU/Competitive bidding Case-I/Case-II) alongwith name of State/Discom with validity of PPA			
13.	Commissioning of the units			
14.	Estimated cost of the project			
15.	Expenditure incurred till date on the project			
16.	Name of EPC contractor / Manufacturer of BTG			

17. Critical areas / Constraints :
