

CEA-JCOAL Workshop held on 20th Nov,2015

Under Indo- Japan Cooperation, Central Electricity Authority (CEA) and Japan Coal Energy Centre (JCOAL) jointly organized a one day Workshop on “Efficiency and Environmental Improvement for Sustainable, Stable and Low-carbon Supply of Electricity” on 20th November,2015 in New Delhi.

Shri Major Singh, Chairperson (CEA) delivered the inaugural address. Shri T. K. Barai, Member (Thermal) - CEA, Shri A. K. Singh, Joint Secretary (Thermal)- Ministry of Power and Mr. Masamichi Hashiguchi, Secretary General-JCOAL were the key speakers in the inaugural session. The workshop was attended by representatives of the Central and State Sector Power Utilities, Power Sector Consultants, Manufacturers and Suppliers from India and Japan. The workshop provided a common forum for the stakeholders to share the experience & discuss the issues on potential Clean Coal Technology (CCT) utilization as well as financing for the projects in the Power Sector.

The delegates from various utilities made presentations on the issues relating to R&M as well as O&M of thermal power stations, potential Clean Coal technologies to meet the challenges in environmental improvement and the available financing options for the power projects etc.
