Subject: **Joint Meeting of the Standing Committee on Power System Planning of all regions.**

Sir/Madam,

A Joint Meeting of the Standing Committee on Power System Planning of all regions is proposed to be held on 29.09.2014 (Monday) with following time and venue:

Time: 10.30 AM – 2.30. PM (followed by lunch)
Venue: NRPC Conference Hall, NRPC, Katwaria Sarai, New Delhi

The meeting would be chaired by Chairperson, CEA.

This meeting is proposed to be held to discuss approach and parameters assumed in evolving the Perspective Transmission Plan and get feedback, suggestion/advice from all the constituents of the Regional Committees. These would be helpful in finalizing transmission schemes through regional Standing Committee forums.

A brief Agenda is attached.

Yours faithfully,

(K K Arya)
CE(SP&PA)

Agenda

A Perspective Transmission Plan for 20 years i.e. 2014 - 2034 has been prepared by CEA under the guidance of Ministry of Power and in association with POSOCO and POWERGRID.

The report has two parts. Under Part – 1 of the report, information for transmission system requirements at 400 kV level and above that may be needed up to 13th Plan i.e. up to 2022, is included. The transmission system has been worked out through load flow studies simulating load demand as projected by 18th EPS and the generation project that are under construction/ likely to be commissioned under 13th plan. While working out the transmission system interaction carried out with the states were also taken into consideration.

The part -2 of the report provides broad transmission corridors for 2022-2034 including inter-connection with neighboring countries and considering up to about 200GW renewable energy capacities.

A brief note on the report is given at Annex—I and complete report is given at Annex-II.
