**Subject: - Furnishing of information on Public Charging Station (PCS) for electric vehicles by DISCOMs to the Central Electricity Authority - reg.**

Sir/Madam,

You may be aware that the Ministry of Power, with an aim at accelerating development of charging infrastructure for electric vehicles in the country, has published guidelines for public charging stations, namely; "Charging Infrastructure for Electric Vehicles – Guidelines and Standards" on 14.12.2018 and the same are presently under revision. Under the guidelines, Central Electricity Authority (CEA) has been entrusted with the responsibility to create and maintain a national online database of all the Public Charging Stations (PCS) through DISCOMs. Pursuant to this, CEA is in the process of creating PCS database and has formulated the formats (Format-A and Format-B) for seeking the information/data from all the DISCOMs.

Therefore, you are requested to kindly furnish the information on PCS as on 30.06.2019 in the Format-A and Format-B, enclosed herewith, in respect of your DISCOM. An early action in this regard would be appreciated.

Subsequently, as the information/data need to be updated regularly, therefore, the same may kindly be provided on monthly basis for each completed month by 07<sup>th</sup> day of

the following month. A copy of this letter along with Format-A and Format-B may be accessed through the link [http://cea.nic.in/ev\\_charging.html](http://cea.nic.in/ev_charging.html) at CEA website.

The data/information may please be sent to email: [cerpmcea@gmail.com](mailto:cerpmcea@gmail.com).

**Encls:** Format-A & Format-B

Sincerely,

*Vijay Menghani*  
(Vijay Menghani) 27.8.18

Chief Engineer (RPM & RGI)
