विषय: ऊर्जा क्षेत्र 2017 के लिए कोल मंत्रालय द्वारा जारी नई कोयला लिंकेज नीति शक्ति बी (iv) के अनुसार कोयला आवंटन के लिए राज्यों से आवेदन पत्र आमंत्रित करना.

Sub: Inviting applications for linkages to States as per B (iv) of New Coal Linkages Policy for Power Sector 2017 – SHAKTI issued by Ministry of Coal.

As you are aware, Govt. of India notified SHAKTI policy for allocating new coal linkages on 22/05/2017 and as per para B(iv) of SHAKTI policy, coal linkages may be earmarked to the states for fresh PPAs, by declaring the availability of coal linkages with description. States may indicate these linkages to Discoms/SDAs. The states/DISCOM may, based on such linkages, undertake tariff-based competitive bidding for long-term and medium-term procurement of power

The methodology for linkages to states as per para B(iv) of SHAKTI policy, was released by Ministry of Power(MoP) on 06.10.2017, and the same is enclosed here (Annexure-I) for ready reference.

As per the methodology, the process of earmarking coal linkages to states that is commensurate with their likely Power-deficit is a yearly exercise. Therefore, it is requested to furnish the applications for seeking coal linkages, to be considered during FY 2019-20, as per para B(iv) of SHAKTI – 2017 policy based on demand-supply scenario in the state. The demand-supply scenario in state (for the year 2019-20 to next 10 years) is required to be submitted in the enclosed format (Annexure –II). The application for seeking coal linkage under SHAKTI-B(iv) along with the demand-supply scenario may be submitted to this division of CEA by 31/01/2019.

Following are the broad guidelines for the States

1. The exercise shall be carried out once in a year. The applicant state will submit its application for coal linkage under above policy to CEA by 31st January.
2. The Demand/Supply Gap in the State shall be taken in to account while recommending coal linkage to the States.
3. Demand/Supply scenario in each state shall be submitted as per attached format in Annexure-II and the same shall be verified by CEA keeping in view of the demand projections as per Electric Power Survey (EPS).
4. Preference will be given to the States as per their performance in UDAY scheme.

Methodology for linkages to States as per para B(iv) of New Allocation Policy for Power Sector 2017 - SHAKTI

Coal linkages would be earmarked to States on the recommendation of Ministry of Power in commensurate to the likely Power-Deficit in the state. The States may allocate this coal to DISCOMs / SDAs which in turn may allocate to power plants.

Following are the broad guidelines for the states:

1. This exercise shall be carried out once in a year. The applicant state will submit its application for coal linkage under above policy to CEA by 31st January.
2. The Demand-Supply Gap in the State shall be taken in to account while recommending coal linkages to the States.
3. Demand/ Supply scenario in each state shall be submitted as per attached format in *Annexure-II* and the same shall be verified by CEA keeping in view of the demand projections as per Electric Power Survey (EPS).
4. Preference would be given to the States as per their performance in UDAY scheme.
