<p>The figures are based on the data available on DDUGJY website (Except Union Territories).</p> <p>Disclaimer:The data included in monthly progress reports of village electrification published by CEA is provisional in nature as indicated in all the reports. The data in the report prior to October,2015 was updated every month based on the information received from States/distribution utilities as and when reported but the data for all the states for a particular month was generally not made available simultaneously to reflect the countrywide picture for a particular month. Number of total villages and number of electrified villages have also been adjusted for changes observed from Census 2011 data. As such, each monthly report of village electrification of CEA is independent of the earlier published reports and any derived data based on the earlier reports of CEA may not show a correct picture for that period.</p> <p>* These figures are subject to reconciliation</p> <p>NOTE 1:Calculation for overall achievement of electrification of 18452 villages and of Census 2011 include the Villages electrified and Villages found uninhibited for the State/UTs with unelectrified villages.</p> <p>NOTE 2:Un-inhibited villages are not actually electrified.</p> <p>NOTE 3:100% Electrification of census Villages achieved in Nagaland during June 2017 month.</p> <p>NOTE 4:100% Electrification of census Villages achieved in West Bengal and Rajasthan during August 2017 month.</p> <p>NOTE 5:100% Electrification of census Villages achieved in Uttar Pradesh during October 2017 month.</p> <p>NOTE 6:100% Electrification of census Villages achieved in Bihar, Jharkhand & Assam during December 2017 month.</p> <p>NOTE 7:100% Electrification of census Villages achieved in Karnataka during January 2018 month.</p> <p>NOTE 8:100% Electrification of census Villages achieved in Meghalaya during February 2018 month.</p> <p>NOTE 8:100% Electrification of census Villages achieved in Meghalaya during February 2018 month.</p> <p>NOTE 10:100% Electrification of census Villages achieved in Jammu & Kashmir, Uttarakhand, Chhattisgarh, Madhya Pradesh, Odisha and Arunachal Pradesh during April 2018 month</p> <p>NOTE 11: WITH THIS ELECTRIFICATION OF ALL UNELECTRIFIED CENSUS 2011 VILLAGES IN INDIA HAVE BEEN ACHIEVED.</p> <p>@ As per Power For All action plan document of Andaman and Nicobar Island, 100% village electrification has been achieved</p>
