विषय/Sub: CAPEX Data in Distribution Sector – Request to furnish year wise details of CAPEX Data in Distribution Sector (66kV,33kV and below) from end of 12th plan to 2020-21-Reg.

संदर्भ/Ref: 1. CEA letter No. 07/02/CEA/DM (Statistical Data)/2022 dt. 30.06.2021
2. Email dt. 21st March, 2022.

महोदय,

Reference is invited to CEA's letter under reference 1(copy attached and also available in CEA website) and Email under reference 2 on the above cited subject vide which it was requested to furnish the CAPEX data in Distribution Sector (66kV, 33kV and below) with effect from 12th plan onwards up to FY-21

In this regard, during the Budget session (2022) of Parliament, a Parliament Question related to Investment in power sector was admitted for reply. Accordingly, an email to all DISCOMs on 21st March, 2022 was sent for furnishing of Capex data and subsequently reminder on 22nd March, 2022 as the matter was most immediate in nature. In spite of repeated request, 44 DISCOMs had submitted the same, and thus incomplete information was sent to the ministry for preparing reply for parliament question.

In view of above, the remaining DISCOMs, are requested to provide the CAPEX in distribution sector-lump sum figure (of all schemes, state plan and multi-lateral funding etc.) for 12th Plan up to 2016-17, and onwards for financial years 2017-18, 2018-19, 2019-20 and 2020-21 in the format attached in Annex-II preferably by 30th April 2022. The relevant data may also be submitted by e-mail to ceaplan@cea.gov.in.
