OFFICE MEMORANDUM

Subject : Use of organization specific email-id for official communications.

The undersigned is directed to refer to the prevailing cyber vulnerability due to various cyber threats/malicious attempts made by hackers and to request that all organizations under MoP to ensure their officials to use of NIC email/organization specific official email id only for official communications. It is also to be ensured that classified document is not sent by email. It has been observed that a large number of officials are still using gmail/yahoo mail account for official correspondence.

2. This issues with the approval of competent authority.
