**Public Notice**

**Subject: Review of Transmission Planning Criteria**

The Enquiry Committee headed by Chairperson, CEA for recent grid events has recommended that transmission planning criteria needs to be reviewed in the context of market scenario within three months.

In this regard, a note on the issues relating to “Review of Planning Criteria” has been prepared. A copy of this note and the existing “Manual on Transmission Planning Criteria” are provided at the following links.

1. Existing “Manual on Transmission Planning Criteria (Part – I & Part – II)”.
2. Note on the issues relating to “Review of Transmission Planning Criteria”

It is requested that your comments/ suggestions regarding review of transmission planning criteria may be furnished to the undersigned along with a soft-copy mailed to **cea.sppa@yahoo.in** latest by **December 10, 2012**.

This issues with the approval of Member (PS), CEA.
