Subject: - PTCC clearance for modification/diversion work of 220 kV D/C Badnagar –Badnavar Transmission Line to facilitate construction of Ujjain – Badnavar National Highway -regd.

MPPTCL vide email dated 15.04.2024 has requested to review requirement of fresh PTCC clearance/ NOC in respect of diversion/ modification of existing 220 kV D/C Badnagar – Badnavar Transmission Line to facilitate construction of Ujjain – Badnavar National Highway.

MPPTCL vide above email has informed that existing 02 Nos Tower (TW-2 and TW-3) is being replaced by 02 new Towers (TW-2R and TW-3R) resulting in a maximum lateral deviation of approx. 5 m from the existing route.

In line with the information submitted by MPPTCL, received reference has been examined and it is found that fresh PTCC approval is not required due to proposed modification/ diversion of the existing 220 kV D/C Badnagar – Badnavar line.

Chief Engineer

To,
Superintendent Engineer
MPPTCL
Ratlam
