Subject: - PTCC clearance for modification/diversion work of 400 kV D/C Mundra-Sami Transmission Line due to construction of Amritsar-Jamnagar Economic Corridor by NHAI -Reg.

Adani Transmission Limited vide letter no: ATIL/O&M/2024-25/10 dated: 16.08.2024 has requested to review requirement of PTCC NOC/clearance in respect of diversion/modification of existing 400 kV D/C Mundra-Sami Transmission Line. ATL has informed that due to construction of Amritsar-Jamnagar Economic Corridor one additional Tower i.e. 638/1 is erected between existing Tower No: 638 & 639 and no lateral diversion is done from original route.

In line with the information as provided by ATL and originally issued RAC vide Letter NO: MBA/PTCC/GUJ-1656 Dated 13.05.2009, received reference has been examined and it is found that fresh PTCC approval is not required due to proposed modification/diversion of the existing 400 kV D/C Mundra-Sami Transmission Line between Tower No 638 & 639.

Chief Engineer

To,
Manager - Transmission Line
Adani Transmission Ltd.
