

Central Electricity Authority
General Supply Section

It has been noticed that some of office property like partition/furniture/ biometric attendance machine were intentionally damaged by officers /staff in protest against existing arrangement. This act of misconduct has been viewed seriously by the management. It has been decided that severe action will be taken against such erring officers / staff for damaging the public property under the "Prevention of Damage to the Public Property Act 1984" and "CSS Conduct Rules".

All employees are, therefore advised to desist from such act & maintain congenial atmosphere.
