

## Hyper Linking policy

- **Links to external websites/portals**

The website (www.cea.nic.in) may contain links to external websites for users' convenience. While these links are provided for reference, the **Central Electricity Authority (CEA)**:

- Is not responsible for the content, reliability, or accuracy of linked websites.
- Does not endorse the views, opinions, or information presented on external sites.
- Cannot guarantee that external links will always be functional or accessible.
- Has no control over the availability or maintenance of linked pages.

**This hyperlinking policy will be reviewed annually** to ensure relevance and compliance.

- **Links to Website (www.cea.nic.in) Application by other websites**

- a) External websites are permitted to link directly to the content hosted on the CEA Website without prior approval. However, the following conditions apply:
- b) The CEA website must not be embedded within frames or iframes of any external website. All CEA website pages must open in a new, separate browser window to maintain content integrity.
