

Web Content Review Policy (CRP)

The contents of the CEA website (www.cea.nic.in) are subject to regular review by IT Cell & Procurement Division, CEA. This process ensures that all information remains current, accurate, and reflective of the CEA's goals and initiatives. Reviews are conducted monthly, providing a structured and consistent schedule for updates. This frequency ensures that CEA website is continuously monitored and updated to meet evolving needs and priorities of power sector. By maintaining this routine, CEA ensures that its online site presence remains a reliable and effective source for its stakeholders
